

Thank you for your interest in the volunteer ministry at the Billy Graham Training Center at The Cove. We appreciate your desire to serve the Lord with this organization.

The Billy Graham Training Center at The Cove is a unique setting designed to provide training for people as they endeavor to fulfill the Great Commission. Each year we have thousands of people who come to The Cove for seminars, with a Guest Group, or just to visit. As they support our staff in various areas, volunteers have a key role in ministering to those people who come.

Our Visitors Center, located at the Chatlos Memorial Chapel, gives a first-hand introduction to the life and ministry of Dr. Billy Graham to those who visit The Cove. The Visitors Center is open year-round and is staffed almost entirely by volunteers.

We seek volunteers to serve in various areas of ministry at The Cove:

Greeters welcome arriving guests.

Prayer Intercessors support the program, staff and participants of the Billy Graham Training Center by participating in a ministry of prayer.

Program Assistants serve in several areas...they may help with registration for seminar and guest group events; assist in the office with notebook preparations, making telephone calls, typing, proofreading and making copies; or they may serve as a hostess, small group leader, musician/worship leader for Women's Bible Study.

Property Services volunteers help with Technical, Building or Grounds Maintenance and also may assist with Safety Administration.

Tour Guides not only share the history of The Cove and BGEA ministries, but they also share the love of Christ as they welcome visitors from around the world.

Please let us know if there is another area of volunteer ministry in which you are interested.

Our staff is committed to the purpose and ministry of the Billy Graham Evangelistic Association.
